

Introducing Counterpoint Academy™

Counterpoint Academy™ is a private elementary school dedicated to providing a challenging academic environment balanced with real life experiences for boys and girls from Junior Kindergarten through Grade 6. The aim of our educational environment is to foster well-rounded individuals with a love of learning.

We offer a school where:

- Small class size and experienced teachers provide academic support & caring for your child.
- Challenging academic work stimulates an interest in learning.
- Equal emphasis is placed on excellence in academics as well as the arts thus providing a high quality, well-rounded experience.
- Daily Outdoor Play and Physical Education promote health.
- Work habits, study skills, research projects and homework are incorporated into the school programme.
- Report cards are comprehensive and closely reflect each student's progress.
- Sound ethics, moral values, and social responsibility create a nurturing environment and sense of community.
- Cultural and recreational activities in the community expand the students' understanding of their world.
- Structure fosters a sense of personal responsibility and respect for others.
- All programmes meet or exceed Ontario Ministry of Education Curriculum.
